You need to use your intellectual powers so that there are no negative thoughts in your mind. You should not trust anyone easily as there are chances of getting affected by other's behaviour.

March- king of swords say that you will be analytical and calculative having focus on the work assigned to you. There is hope and positive results will be in your favour in this month.

April- page of pentacles says that this month you will receive good news related to your work or relations. Stagnant work will take a further step and move further. There is security, prosperity and gains indicated. This month there may be an up gradation in salary or post as you are moving fast.

May- page of swords says that you need to use your intellect and move steadily. You should not choose that path about which you don't have any knowledge. It may not yield you the desired results. In this month you need to use your intellect in the right direction.

June- the queen of wands says that you will be career oriented this month. You are ready to achieve your targets. You are holding a position and status like the queen. You will be able to influence others without getting affected by their behaviour.

July- five of wands says that in this month there is a lot of passion, zeal and energy to work. More responsibilities are coming your way which will give courage and encourage you to work harder. But these responsibilities may leave you in a dilemma. You have to be clear regarding your goals and everything will fall in place.

August- four of swords says that you are now ready to explore new areas where will get the opportunity to gain more knowledge. You are now ready for a spiritual journey to start. A new path is being created which you are ready to undertake. You will be able to surpass the initial self created obstacles through your past experiences.

September- the month of September brings in five of swords saying that you will be in a hurry to finish all your work. But for perfect and better results you need to take decisions wisely and intellectually. There are many things going on

your mind which need to be prioritized and organized. You should cool down and avoid conflicts in this month.

October- five of cups says that you may get hurt while helping and supporting others. There may be ready to listen to you. You should help only those people who deserve your support. In this way you will be able to cover the loss and move ahead.

November- ace of swords says that the happiness from the previous month continues in this month too. This is a very nice and a jovial time to enjoy the fruits of the hard work done. You will come up as the ultimate winner.

December- the lovers says that you will be highly romantic this month shifting all your attention on a particular person who gives you happiness and emotional satisfaction. Singles may get their better half. This is an excellent month for those who are ready to tie the knot. You can even express you feeling hoping for positive response.

Libra Overall- six of wands says that now is the time to go for higher studies and attain more knowledge. The year will be good as far as career is concerned. You will improve your social image leading to more name and fame and increase in contacts. A positive change is ahead giving you more energy and respect. Overall, 2009 will be very fruitful and energetic leading to completion of work.

Health- the judgment card indicates that you will be spiritually blessed by god. Your health will be good all through the year. Your energy will allow you to take care of your health.

Money- the hanged man says that your interest does not lie in monetary benefits. You believe in doing your work without expecting. Your happiness mainly lies in career and health which due to which you may feel indecisive regarding decisions related to finances. You should not calculate and evaluate and everything will be positive if you work towards your goals.

Relations- nine of swords says that now you are taking out time for relations. Instead your main focus is on work. It is not a very prosperous time for developing new relations. You will be engrossed in some other work as relations are not a priority for you.

Career- page of cups says that this year you will get the opportunities where your interest lies. You will be highly motivated and will work hard to get your targets. The people around you too support and help you. In this way you will accept and go on with your work.

Guidance- ten of wands says that more work and opportunities will come your way. You should fix up the priorities and take cautious steps and distribute the work so as to avoid pressure on your shoulders. You need to organize the work otherwise health may get affected.

January- wheel of fortune indicates that there will be many things going on in your mind in this month leading to confusion and work load. You have to shortlist the options and move ahead with the right one. You should not depend on probability to avoid chaos.

February-the empress card for the month of February says that you will have command, authority and power with which you will be able to serve others leading to mental satisfaction. There will be fertility, caring and sharing which leads to people getting impressed by you. You will be blessed by the trinity. A very good month having happiness and comfort.

July- ace of cups says that in the month of July you will be emotional and sentimental seeking positive results mental peace and all colors of happiness. Thus July is a prosperous and an enjoyable month. You will be emotionally attached to your closed ones.

August- the moon says that in this month you may get egoistic and will start doubting the people around you and the path undertaken. You should not be suspicious otherwise some third person will move ahead of you by taking the advantage of the situation. You need to understand and analyze the situation so as to get positive conclusions.

September- queen of cups says that in this month you will take decisions emotionally rather than intellectually and in this process you may even trust others blindly. There are chances of you getting hurt due to the negative influence by others. You have to be strong and start taking decisions using your mind and intelligence.

October- the world card says that your capabilities and potential will make you very famous and you will enjoy a high status seeing the world at your feet.

November- nine of pentacles say that an excellent time is ahead giving rise to financial professional and personal growth. A highly energetic time is ahead.

December- four of pentacles say you can get materialistic seeking all pleasure from money and the assets you possess. You have to widen your horizon and take advantage of the situations you come across. In this process you have to maintain and improve your public relations

Scorpio Overall- the queen of swords says that the year 2009, will see you using your intellect and mind while taking decisions. But you need to analyze the situations from both negative and positive aspects. Things will result better only if you take all precautions while taking the steps. The year, 2009 will be fruitful.

Health- eight of pentacles says that you will face health ailments this year. You need to be careful and take all steps regarding your health so as to avoid all major health problems in future. Health needs care.

Money- the hierophant says that in the year 2009, you will be financially stable, in such a way that you will go on helping and sharing what you have with others too. There will be a lot of sharing and giving as far as money is concerned. Financially, 2009 is a very secure year.

Relations- queen of cups says that bring in with it, a lot of emotional and sentimental feelings. Infact, you will go on taking decisions regarding relations using your emotions rather than your mind and intellect. You are intelligent and thus, you need to use it wisely. You need to avoid overindulgence of any kind, so that you can avoid all negative influence from others.

Career-two of wands indicates that you will be high on career this year. You have intellect, energies, enthusiasm and the power to move ahead and a mark on the world. You have to be open to the offers that you come across so that you get a chance to prove your capabilities and potential to the world. You will be happy with the way your career goes this year.

Guidance-the world suggests that you will come out as winner when the opportunities are availed of and you are able to maintain your relations with everyone around you. You will see all the colors of happiness this year leading to happiness and mental peace.

January-the empress says that this month, you will mainly help and take care of others. You believe in serving others, and you will be successful in doing that. You are happy and content which you will spread in your surrounding.

February- ace of pentacles indicates that a very fruitful time to make investments is ahead. Financially a very secure time is coming your way.

In the first week, eight of wands say that you may be very happy with the way things are going. But more efforts need to be put in so that any negative thought do not crop up. March- six of wands say you will see an increase in your name and fame in this month. You will achieve success due to your sincerity. People around you will be impressed by your capabilities and you will be winner in your fields. Students will experience that they will be more confident and positive this month. You are even likely to make a deeper commitment towards your partner.

April-four of cups says that after an energetic end of the previous month, you may be a bit stressed out and taking time to relax. Some people may even suffer a setback in love affairs, so may be depressed and sad. You have to take advantage of the things you have in hand and forget the past. You are of emotions and sentiments but these emotions should not take a toll on you. You have to be determined and take the next step.

May- queen of wands says that after a low last week, you will be right back on track. You will be more serious regarding the work you undertake. You will maintain an aura like a queen.

June-nine of pentacles say you will enjoy a very high position and status. You are likely to get the desired results and the work of your interest. You will be surrounded with happiness and satisfaction at personal and professional level. This is going to be a very lucky month for all of you.

July- four of wands indicates that this is a period of completion. You will be victorious establishing all your pending work. You will see happiness all around you.

August-the month of august has page of wands saying that you will full of zeal and energy ready to take up the challenges and move forward. But this can even lead to immaturity due to which you can even end up on the wrong side. You need to consult more experienced people so that they can guide and instruct you.

September-The page of pentacles says that this month will be full of action but avoid immaturity and fast decisions. You will be ready to move on the right track.

October- in the month of October, eight of swords suggests that you will not avail all the opportunities that are coming your way. You are having all that you need but you are not recognizing the fruits. You need to remove the blind fold from your eyes and grasp the offers so that you know how to make the next step.

November- knight of pentacles says that your work may suffer stagnation as you are not ready to invest. But work will take a positive shape only when you put in the right resources. You have to take decisions regarding investment procedures and then this stagnation will also vanish.

December- the high priestess says that you have ample intellect and knowledge but you are not implementing the mind in the right manner. You need to be action oriented and take action at the right time and in the right direction.

Sagittarius Overall-seven of pentacles says that overall the year 2009 will be of less action. You will earn money and gain education, but you need take proper measure so as to invest and re invest the money earned. You will be happy with the way you have been working the whole year.

Health- knight of wands says that the year 2009 for your health will be very good. You will be full of energy and zeal and concentrate on your work. You will take full care of your health as you want to work more and more.

Money-five of swords say that this year for money, you may face some problems as you will go for shortcuts to earn money. You need to follow proper rules and regulations and work for long term benefits. You can overcome the small obstacles you face in finances by working in the right manner.

Relations- five of wands say that you can face small arguments and disputes as far as the year 2009 is concerned. Your concentration may be fully on the work you do and finances leading to conflicts in relations with loved ones. You need to calm down and talk to your close ones so that you can express yourself clearly.

Career- ten of swords say that you may have to make manipulations or even bribe others so that your work takes place. You may face some time to time arguments at the work front or may not get the work of your interest. But that too is an opportunity and you have to accept the challenge and prove to the world your capabilities.

Guidance- for guidance, eight of pentacles say that you shall not very honest and straight forward this year. People may take full advantage of you. You need to put in your money to the right use at the right time. You also have to grab the offers that come your way so that you can slowly rise to the top. Your determination and sincerity will come alive once you start putting the efforts.
